ECC (Lafayette, IN) High School Retreat

We were blessed to see a church that has given so many work hours to improving the facilities at the camp coming here for a retreat. Thirty one students and eight adults traveled from Indiana to enjoy the fall weather in southwestern Virginia. We continue to pray for the work that God has begun in establishing strong, godly relationships among the youth in Lafayette.

Women's Retreat

God's Saving Love! The women who gathered were blessed to explore the depths of the word "save." God is continually saving, keeping, delivering, preserving, protecting, and healing us!

Men's Retreat

Area pastors shared the teaching time on ACTS (Adoration, Confession, Thanksgiving and Supplication).

Next Steps for the Chapel Project

Plans are drawn to add bathrooms and handicap access to the south side of the Chapel. Some of the work, like the septic installation and block laying, may need to be hired out, unless God provides specifically skilled volunteers. We are working on finalizing estimates for material and labor costs, as well as trying our hand at grant writing. Call us or see cmmbc.org for current updates!

Please pray for clear direction on the decisions that need to be made and for the funding and workers to see this project through.

Merry Christmas! God Bless You in 2012!

We smile when we look back to a year ago... the Chapel renovation was a dream at that point. Now we are using the Chapel with its refinished floor, central heat and air, open floor plan, new wall and ceiling surfaces, new ceiling fans, stained glass windows for the front of the Chapel, and (mostly) refinished pews. We even have a new roof on the Chapel! Yes, it's still a work in progress, but the outcome is beyond what we imagined. God and his people have blessed CMMBC!

Praise God!

Three groups are praying about bringing mission teams next summer. Please pray for these decisions.

ECC (Lafayette) has committed to bring a work team in March 2012.

We have a new roof on our home.

More than 1500 people have used the camp in 2011!

Two stained glass windows for the front of the Chapel were recently donated.
